

why advertise your TEFL course on lingobongo?

- **a pool of under-qualified/non-qualified teachers:** English teachers who are already clearly interested and wanting to get qualified to teach in Asia/the Middle East
- **highly motivated teachers:** poor pay, conditions, facilities, split shifts, zero holiday pay etc. make for a massively enthusiastic pool of already experienced talent
- **non-native teachers, qualified, looking to escape high unemployment:** teachers of all languages, well qualified and wanting to see the world while working
- **implicit recommendation from our massively well-trusted site:** our site is highly trusted because it's closely curated and has a pro-teacher focus
- **excellent traffic & reach:** well over 1000 unique and active users every day, and 10 years of s.e.o. rank building gives you superb reach, in Spain and worldwide
- **highly targeted audience:** internationally-minded, open to teaching and travel, and already proven to be enthusiastic about TEFL teaching as a career
- **image & visibility:** we have a clean, straightforward and friendly image; your advert is always on the front page, giving you a strong prominent image in a saturated market

-
- Can we pay in instalments?

- Afraid not: this is how we are able to keep selling our advertising spaces at very economical rates.
-

- How do we pay?
 - Via bank transfer (Spanish bank).

- Is it tax deductible?
 - Yes, we are officially based in Spain and advertising is a tax-deductible business expense.

- What do we get for our money?
 - You get an advert and rollover banner (obviously!), we do all the design and any updates, and you also receive teachers' CVs 6 hours ahead of all the other schools.
 - We are also designing new paid premium features for schools, and advertisers will receive all of these new features free of charge.

- Who are lingobongo's users?
 - Half of our users are language educators, mainly Anglophones, but with a healthy number of other languages. The other half consists of language learners, companies and parents looking for teachers. About two thirds of our traffic comes from Spain and the other third from abroad.

- How much traffic does lingobongo get?
 - We have over 1000 unique (and active) users per day.

- What is the setup process for placing an advert?
 - All you have to do is send us a copy of your company logo, the text you would like to use, and a link to the page of your website that you would like your advert to link to.
 - Then we design your advert and its rollover and send it to you for approval.
 - Once approved, you pay us via bank transfer, and we put your advert up on our site.
 - It really is that simple!
